Language

## ¡Hola, amigos!

Summer is just around the corner, and here at Zoom we believe that every opportunity for play is also an opportunity for learning and growth. Our Spanish-language summer camps are a perfect chance for kids to work out their creative energy and develop new bilingual skills at the same time.

---

*"Zoom's teachers make learning Spanish such a good time that no one seems to notice they are working hard to learn a new language."*

*-Maura (parent)*

## Summer Camps

### Limón (ages 2.5 – 3.5)

Designed with our littlest learners in mind, daily activities for Limón include music, singing, dancing, dramatic play, arts and crafts, cognitive games and outdoor activities – even making our own snacks! All activities are designed to stimulate children's cognitive, social and emotional abilities. These campers are at the perfect age to pick up a second language naturally, as they are still picking up their first!

### Fresa (ages 3.5 - 5)

This camp is a great way for children to practice the Spanish language as children play, sing, dance, and draw, create crafts, learn to cook, and play outside with games like simple soccer. Fresa is a great fit for children who are just starting out with Spanish, and also good for those who understand the language but need practice speaking it daily with their peers.

### S.A.S.S. (ages 6 - 10)

S.A.S.S stands for Spanish, Art, and Soccer Summer Camp. It will include indoor and outdoor activities, soccer (fútbol) games and drills, and artistic workshops taught by special guest instructors. For example, past camps have included workshops in storytelling, photography, drums, circus performance, and more! This is a great way for active older children to grow in their Spanish-speaking abilities.

Note: All camps include outdoor activities

## Summer Camp Options

### Unlimited Flexibility

For some families, choosing a basic program (such as Session I only) works out great. For those who need more flexibility, it is possible to create all sorts of combinations with the Zoom Summer Pass. In addition to an extra hour of class activities in the afternoon, along with early drop-off and late pick-up allowance, the pass allows you to choose to have your child attend three or more weeks during either session, allowing you to skip weeks in between for things like family vacations.

### Discounts

- 10% sibling discount applies to the second child enrolled from the same family and to each additional child.
- Additional discounts if you sign up for 2 sessions

## Sessions I & II

Limón, Fresa, and S.A.S.S. Camps will be available in two sessions (weekdays only): Session I and/or Session II. Students can choose to register for Session I, Session II, or both. All camps take place in the mornings and include a snack; we ask that parents also send a packed lunch. You can choose a frequency from twice a week to five times a week.

## Zoom Summer Pass

Mix and match any three or more weeks of instruction from Sessions I and II. It adds an extra hour of activities in the afternoon and also gives a 15-minute allowance for early drop-off or late pick-up. This is the ideal choice if you need flexibility.
